

**Information Concerning 2021-22 Reopening Plan
(Posted on the website for 30 days for public comment starting April 27, 2021)**

This plan is just a tentative plan and subject to changes throughout the summer to match changes made by the Illinois Department of Public Health.

**If you have any questions or comments, please send an e-mail to

It is our hope to be able to return to regular school hours and all in-person learning for the 2021-2022 school year.

Any students that wish to be a remote learner must provide a medical reason and a note from a physician.
