Phone: (217) 368-2447

Fax: (217) 368-2724

---

As a parent or guardian, I will attest to the following items to ensure that my child(ren) is/are healthy before coming to school each day:

Check the temperature of my child(ren) before putting my child(ren) on the bus each day for school.

Check my child(ren) for any symptoms that may result from illness, including a temperature of over 100.4 degrees Fahrenheit, abnormal shortness of breath or difficulty breathing, muscle or body aches, headache, stomachache, new loss of taste or smell, sore throat, congestions or runny nose, nausea, vomiting, or diarrhea.

Verify that I have not given my child(ren) any medications to reduce symptoms.

Keep my child(ren) home until they are fever free and symptom free for 72 hours without medication.
