## Permission to Publish/Participate in School Surveys

At various times your child may be recognized for his or her accomplishments. We would like to be allowed to put his/her picture in the paper, on the school or district website, or videotape the child for demonstration of good things being done in the classroom, during extra curricular activities, or simply getting a candid shot of your student on or around school property. If your child's picture is used on a school or district web site, it may be with picture only or with picture and first name.

In order to facilitate the items mentioned in the above paragraph, please complete the form below and return to your child's teacher or school office. Thank you in advance for your participation.
