

This is in addition to the Life Skills students packet or Language Packet #3

Just a practice exercise on using “Yes and No” It will also help with receptive vocabulary.

Students with communication devices can practice using the Yes and No buttons on the device. Others can indicate by touching the Yes or No picture in their PECs books or on these cards, or if they have ability to Nod or verbalize that may be used as well.

As always if you have any questions or concerns, please email me at ddemoulin@greenfieldschools.org and I will try to help walk you through it.

I hope you and your families are doing well, I miss everyone.

Sincerely,

MS D (Denise DeMoulin-Speech/Language Pathologist
