Dear Parents and Guardians of Greenfield C.U.S.D. #10:

Thanks for supporting your child's education this year! The end of the school year is approaching quickly and will be here before you know it. Please remind your student that summer time is not only the time for baseball, softball, summer camps, and swimming, but also a time to read some good books! Finding something for your child to read at least one hour per day will help them continue to grow and improve as a student. At minimum, your child will improve their reading fluency and comprehension which is extremely important for future success!
