Facility Management and Expansion Programs

Facility Development and Expansion Programs

When making decisions pertaining to design and construction of school facilities, the School Board will confer with members of the staff and community, the Illinois State Board of Education, and educational and architectural consultants as it deems appropriate. The School Board established these goals for the District's development and expansion program:

1. Integrate facilities planning with other aspects of planning and goal-setting.
2. Base educational specifications for school buildings on identifiable learner needs.
3. Design for sufficient flexibility to permit new or modified programs.
4. Design buildings for maximum potential for community use.

Managing Building and Grounds

The Superintendent shall develop procedures for managing buildings and grounds.
